

### 3.21.2014 New Age Christian Church/Carol Pate Psychic Center Meeting

#### Reiterated Messages

- We're on Earth to evolve and learn lessons
  - Choices and decisions (AKA free will) are how we learn our lessons
- There's a whole Spirit community that wants to work with and protect us!
- ALWAYS say please and thank you when you call upon Divine assistance

#### The Soul

- Your soul is integrated into every cell of the physical body, but exits the body completely intact and very material when you pass
- God created everything
  - Everything created by God has awareness and consciousness
  - We are unified with all of God's creations due to our soul's connectivity with the souls of other creations
  - We are all the holograph of God
  - Everything has living, conscious energy
    - You can't destroy energy, only change it
      - Death is just an illusion
    - Even rocks have consciousness!
    - Synergistic items (such as hearing aids, glasses, etc.) can, over time, learn what their purpose is
    - If you're going to pull weeds out of a garden, go about an hour before you plan to work and say, "I am going to be pulling all of you weeds, release your roots" ... They'll just fall out of the ground. 24 hours before works well with trees.
- At one point, we had a Divine Connectedness with nature, animals, Angels, and God but we lost this connectedness via our bad choices, as influenced by the Dark Side
- How do we get in contact with our soul?
  - Tarot cards, divination are great tools but can be manipulated by the Dark Side
  - Kinesiology/reflexology is the best, most foolproof way of accessing your soul's knowledge
    - Connect your middle finger and thumb of both hands and interlock both circles. Right-handed people pull with their left hand, left-handers with their right.
    - Give your soul permission to hold for the answer "no" and pull. Give your soul permission to break for the answer "yes" and pull.
      - Stronger answers are exactly that-stronger answers
    - Once you've established this, you're in contact with your soul.

### 3.21.2014 New Age Christian Church/Carol Pate Psychic Center Meeting

- You'll often hear a whisper just before the answer is given via kinesiology. Once you get this whisper, you can ask the whisper questions and get information directly without using your fingers
- Keep this connection pure!
- You cannot use this for future; you can use this for the past and the current.
  - With an illness, use kinesiology to ask if it's mental/psychological, spiritual, physical, or emotional.
    - Use *Heal Your Body* to help with these issues
    - Once you've identified the root, tap the affected area twice with your two fingers
  - If you want to know if something is spiritual truth, you can ask.
  - This is useful for determining allergies, what is good/bad for you, etc.

#### Orbs

- Orbs are NOT human souls, they're interdimensional/dimensional parasites that feed off negativity
  - Used to be called Foo Fighters (no connection to the rock band)
- Can move betwixt dimensions
- They are of no harm to us; they clean the energy of the Earth
  - Can be the size of football fields, or the size of marbles
  - They're natural, not "supernatural"
- They can live for hundreds of years, but when they die, they turn red
- Easily photographed
- If one becomes attached to you, you can use the following formula:
  - I would please ask the Interdimensional/Dimensional Band of Mercy to remove whatever they have authority over that is attached to, affecting, or influencing myself, family, pets, home and property, and all that I have domain over now in the name of Jesus Christ and either place them in appropriate protected sanctuary or do whatever they deem necessary with them and I thank thee.

#### The Earth Plane

- 10 major dimensions, but there are dimensions within dimensions
- 1-3 are the Earth plane
- 4 is the Outer Darkness
- 5-10 are layers of Heaven

### 3.21.2014 New Age Christian Church/Carol Pate Psychic Center Meeting

#### Beings of the Light

- Beings of the Light always speak from the right. They never speak in 3<sup>rd</sup> person and information is always pure and without ego. Sometimes they warn us, but most of the time it's just information.
- Beings of the Light taught Carol everything she knows
- Holy Spirits
  - The Holy Spirits are our teachers, our comforters
  - Christ left the Holy Spirits to be with us after His ascension
  - They are not human, nor have they ever been human
  - They are direct servants and messengers of God
- Angelics
  - Not human; a different species yet still capable of evolvement
  - They are servants of God and messengers of a different God
    - Present throughout the Bible
  - Both male and female
  - Take care of us, help us, assist us
  - Can visit as humans and have specific lifetimes as humans
    - Most of the time, they don't know that they are angels
    - Most angel Devas have been given the opportunity to be born in as humans
    - If you ask them if they're angels, they have to confess that they are
  - Guardian Angels
    - Every human has at least one guardian angel who can call upon legions of angels to protect you and assist you
    - Everything and everyone on this Earth plane has a guardian angel
    - You can ask for your Guardian Angel to please protect you in whatever ways are deemed appropriate in the name of Jesus Christ and thank them
      - Needs to be reinstated once a year
      - Can be used specifically before trips
  - We have 4 major Archangels (Michael, Gabriel, Raphael, and Uriel) and several "sub"-Archangels, and a Universal Archangel (Metatron)
    - There is a division of labor similar to the Army... There are generals and people under them and under them, etc.
    - There are time schedules that allow for the shifting of responsibilities and physical territory of the Archangels
  - Cherubim

### 3.21.2014 New Age Christian Church/Carol Pate Psychic Center Meeting

- NOT fat baby angels, they are HUGE warrior angels
- If you feel threatened, you can ask for Cherubim to please protect yourself, family, pets, home and property, and all that you have domain over in whatever ways are deemed appropriate in the name of Jesus Christ, and thank them.
  - Needs to be renewed once a year
- Holy Sephiroths
  - These are creator angels
  - All they do is create!
  - *Keys of Enoch* were given to call upon the forces of the Holy Sephiroths
  - Fallen Sephiroths are called Enochians
    - SEE BELOW
    - When the Egyptians took the Hebrews into slavery, they learned of the keys of Enoch and used their magic to pervert the Sephiroths and create Enochian beings.
- Devas
  - Nature angels that come in many different forms
  - If you do good deeds in this life or past, devas can protect and/or bring you gifts
  - Devas of vegetables, fruits, flowers can help you grow magnificent crops
  - You can ask Devas to remove whatever critter or bug from the house in the name of Jesus Christ
  - Animal totems are significant; animals can bring information, warnings, etc.

#### The Dark Side

- The Dark Side always speaks from the left, in the 2<sup>nd</sup> and/or 3<sup>rd</sup> person
  - “You look so fat today” or “they’re looking at you because of XYZ”
- The Dark Side/Demonic are fallen Angels
  - They de-evolved
- Whatever their role was in the Light became the direct opposite when they fell away from God
- Lucifer (the Angel of Light and God’s second Son) chose not to serve mankind; he felt that mankind wasn’t worthy. When he turned away from God, he took 1/3 of the Angels in Heaven with him to Earth.
  - The Fallen Angels hate mankind
- ENOCHIANS

### 3.21.2014 New Age Christian Church/Carol Pate Psychic Center Meeting

- When they hit, they hit with the symptoms of spinal meningitis and can kill you.
  - Headaches (a tightening band that wraps around your head) that extend down you neck and into your shoulders
  - Can display with a fever
- If they hit, say the following prayer:
  - I would please ask the Archangel Raphael and his legions to please remove all Enochians and their residue from me now in the name of Jesus Christ and place them into protected sanctuary and I thank thee.
- If hit repeatedly, use the following formula:
  - I would please ask forgiveness from the Enochians for all past lives through present, and I forgive all Enochians from all past lives through present in the name of Jesus Christ and I thank thee.
- The Dark Side provides us with the opportunity to exert our free will
