

## 7.18.2014 New Age Christian Church/Carol Pate Psychic Center Meeting

For a funny story about groping and healing, listen to Part One, from 0:00 to 1:15.

“Give to Caesar what is Caesar’s and give to God what is God’s” Mark 12:17

- God doesn’t require a religion or a church
- God is in everything, and is everywhere
- God is most forgiving and understanding
- God loves each and every one of us unconditionally.
- Most manmade laws and punishments are just that- manmade. They’re not God’s.
  - We’re our own worst enemies and judges
- Give man what is man’s (judgment, punishment, cruelty) and give to God what is God’s (unconditional acceptance and love)

### Loopholes

- When you pray for things like strength, courage, and wisdom, you’re given tests to develop these characteristics. This is the hard route... Don’t take the hard route!
  - Instead of praying for that characteristic, ask for the Divine Spirits of that characteristic to be with you and work with you and aid you in whatever ways are deemed appropriate in the name of Jesus Christ (don’t forget to say please and thank you!)
    - There’s a Divine Spirit of *everything*... Prosperity, anger management. Think spiritual, mental, emotional growth. Divine Spirits are angelic.
    - There are also Guides of mechanics, arts... Think the tangible things. These are human masters of certain areas.
- The information Carol gives us is a loophole
  - The Daily Lifting is a **huge** loophole that was 30 years in the making.

### Suicide

- Suicides, even medically assisted suicides, are considered self-murder. These break spiritual law and cause you to be bound to the Earth plane for a specific period of time (usually until it is your natural time to go). Suicides can be prayed into the Light with the Formula.
- “Pulling the plug” and refusing medical treatment don’t equate to suicide. This equates to letting nature take its course and doesn’t break any spiritual law.
- Putting animals down doesn’t break spiritual law... It’s different.

### Spiritual Marriage

- A coming together of two souls through love, for the common good of each other
- Carol is a licensed minister and can marry people legally and spiritually.
- You can be spiritually married without being legally married
- Parting because you no longer love each other equates to spiritual divorce.
- You have had numerous husbands and wives throughout your lifetimes
  - These are the people you meet and have that instantaneous “spark”
  - The “where have you been all my life?” “oh my goodness, who are you?” feelings are indicative of past life relationships.

### Sin

- Sin is in the intent
- If you think it's wrong, then it's wrong.

### Dying

- Those who are spiritually connected and have completed their work tend to die quickly and easily. Those who are not tend to fight death.
- When you die, you step out of your physical body (your "meat suit") and you become who you truly are- your soul
- Leaving your physical body doesn't mean that you're no longer in a physical state.
- The soul is a material body that retains the shape and characteristics of your physical body, and it stays that way until you get a new body.
  - When you get a new body, it molds to the new body
  - The soul is material, which is why you can photograph "dead" people
  - The soul is at a higher vibration, which is why we can't readily see them with our eyes.
    - When spirits want to become visible, they have to slow their vibration down
- If you go into the Light, you get some perks (why it's called Heaven!)
  - You take the clothes with you that you're buried in, or you can appear in other garments. With cremations, you can appear in your favorite outfit from your lifetime.
  - You can appear at whatever size or age you want to be
  - Heaven is the same for all creatures
- "What Dreams May Come" with Robin Williams has some great basic truths, particularly regarding suicides and levels of Hell
  - Hell is a disconnection from God
- "Ghost" with Whoopi Goldberg and Patrick Swayze is full of great truths

### Incarnation

- Can take minutes (in places like India, where reincarnation is a belief system) or years
- Length of time depends on if you go into the Light or incarnate from the Outer Darkness
  - Incarnating from the Outer Darkness means that you come in with baggage and issues.
    - You can use the Soul Cleansing Formula for help with these issues
    - Soul Cleansing is helpful with ADD, sociopathic behavior, and bipolar disorder.

### Orbs

- People aren't orbs.
- Orbs are parasites/bugs that feed on negative energy and situations.
- Negative parasites can attach to you and suck all of your energy and you'll feel very drained. To get rid of them, use the following formula:

## 7.18.2014 New Age Christian Church/Carol Pate Psychic Center Meeting

- “I would please ask the Interdimensional/Dimensional Band of Mercy to remove all dimensional/interdimensional parasites from me now and do whatever they deem necessary with them, in the name of Shemhamfarash and in the name of Jesus Christ and I thank thee.
- See God’s Spirit Community for more information

### Phenomena

- Don’t dabble haphazardly, because it can be very dangerous to produce low-level phenomena
- Phenomena can be useful for proving that there are no limitations, and there is a great amount of freedom in this
- Manifesting, when done incorrectly, can bite you in the butt BIG TIME!

### Should I “work through” issues?

- You’re not in the past, or in the future. You’re in the now, and work in it.
- Learn from your past and RELEASE IT!
- Don’t try to “work through” all of your issues! That can causes traumas
- You can use kinesiology to find the root of the issue, and find your blocks
  - Name the blockage, ask that it be removed from your physical, mental, emotional, and spiritual bodies, dissolve and release it and return it back to God, and restore everything to the state that God originally intended thee to be, in the name of Jesus Christ.
  - You can also use Flower Essences to tweak and remove blockages.
    - Bleeding Heart is great when you can’t say “no” and when you want to “fix” other people

### Israel Conflict, Summer 2014

- Spiritually, the Jewish people are protected by God
- These conflicts have been going on for thousands of years. It’s a pattern.
- Israel will be fine.
