

## Annual Prayers

**All prayers should always be spoken aloud, with your palms up, outward and slightly cupped. It is only necessary to state this prayer one time a year, and it's easiest to do it on January 1<sup>st</sup> of every year.**

I give my Guardian Angel permission to do whatever my Guardian Angel deems necessary to protect me in the name of my Lord and Master, Jesus Christ and I thank thee.

If I should pass, I would please ask the Band of Mercy to be there to take me directly into the Light or place me in the appropriate sanctuary, allowing teachers and healers and loved one to work with me until I am ready to go into the Light. I ask this now in the name of my Lord and Master, Jesus Christ and I thank thee.
