

## God's Spirit Community

**God's Spirit Community is unimaginably large, so it would be impossible to list all of the members. However, these are the members of God's Spirit Community that we most frequently call upon, and the main role(s) that they serve. God is the CEO of his corporation, and without the knowledge of how the corporation works, prayers aren't nearly as effective as they can be; calling upon the appropriate beings, understanding their duties, and calling upon the appropriate names of God will ensure results consistently.**

**It is important to remember that angels are not, and have never been human. Angels and humans are two separate species, although angels can appear in human form. For more information, see the *Dictionary of Angels*.**

**Always remember to ask nicely when you call upon any of these beings (say please and thank you whenever it is available), do all things in the name of Jesus Christ, and use the phrase "if it is deemed appropriate" if you feel unsure about anything.**

**Guardian Angels:** each human being has at least one guardian angel responsible for protecting us, who can call upon legions of angels to assist you. If you ever hear a warning, either inside or outside of your head, or if you hear your name shouted, then this is probably your Guardian Angel working to protect you.

**Spirit Guides:** each human being has at least three spirit guides. These are the Holy Spirits, who have never been human, that were left by Jesus to be our comforters and our teachers. Your spirit guides speak from the right side, mostly inside your head, and provide information, knowledge, and truth. They will never stroke your ego or embarrass you. They show themselves as sparks of white light, and can smell of floral or incense. It is important to learn how to communicate with your Guides

**Cherubim:** Cherubim are not chubby baby angels, but large warrior angels. If you have a perpetual problem with the demonic in your home and property, it would be appropriate to ask that a Cherubim be put into place (link to cherubim page) to protect your home and property

**Divine Spirits of \_\_\_\_\_:** Divine Spirits are angels who have mastered whatever quality you are calling upon them for. These are for the non-tangible things like character traits that you wish to strengthen in yourself. You should never ask for patience, because you will be given tests to develop your patience. Instead, you should ask for the Divine Spirits of Patience (courage, strength, joy maturity, wisdom, kindness... If you can think of a trait, there is a Divine/Holy Spirit of that trait) to aid you, assist you, and work with you in whatever ways are deemed appropriate in the name of Jesus Christ.

**Guides of \_\_\_\_\_:** if you find yourself in a situation involving something on this Earth plane, say computers, music, art or car mechanics, you can ask for a Guide of Computers or a Guide of Car Mechanics to please be with you to assist you in whatever ways are deemed appropriate in the name of Jesus Christ. These are

human masters who will teach you how to fix or do whatever you seek to do. Ask them to speak loudly, and only ask for one at a time.

**Band of Mercy:** the human Band of Mercy has the authority to remove unclean human spirits, negative thought forms, and some negative entities, energies, and influences. The Band also has the authority to remove any and all past life attachments, but you have to name them specifically in order for the Band to remove them.

**Glory Band of Mercy:** the Glory Band consists of individuals who were Satanists before they were redeemed back to God. They have the authority to remove Satanists, human souls that have been bound into dark service, and human souls who believe that they're demons-in-training (demons are a separate race from humans; one can never be the other). Should the lifting not immediately resolve your issue, calling upon the Glory Band is a good tool to use.

**E.T. Band of Mercy:** the E.T. Band of Mercy has the authority to remove extraterrestrials, nature spirits, viruses, and bacteria not from the Earth Plane

**Inter-dimensional/Dimensional Band of Mercy:** this Band has the authority to remove negative entities, energies, and influences from different dimensions of this Earth plane. When calling upon this band, do so in the name of Shemhamfarash and in the name of Jesus Christ.

**Mura-Con:** Mura-Con is an angelic being that is responsible for purifying and detoxifying different organisms and their blood systems from various toxins and poisons.

**Vortex E-On Jah:** Vortex E-On Jah is the angel of vortices, and has the authority to close any negative, unnatural vortex and purify any perversions to natural positive vortices and restore them to the state that God intended them to be in.

**Legion of Pan:** the Legion of Pan has authority over all of nature in this dimension. It is appropriate to call upon the Legion of Pan to remove negative elementals, devas, and nature spirits from this dimension.

**Devas of \_\_\_\_\_:** everything in nature has a Deva that has been assigned, by God, to protect it. Should you face an infestation of some sort (spiders, cockroaches, mosquitoes, bees, wasps, etc.), it would be appropriate to call upon the Deva of Spiders (or whatever pest) to remove them from your home in the name of Jesus Christ.

**Legion of Soon Ki** (*Soon key*): the Legion of Soon Ki has authority over nature from all dimensions of the Earth plane. It's appropriate to call upon them to remove negative elementals, devas, and nature spirits from other dimensions.

**B'Nai Or:** The B'Nai Or is the Great White Brotherhood. They were Christ's teachers when He was in body, and they can offer a great deal of protection from abductions on a universal level. We call upon the B'Nai Or in the Daily Lifting for these protections, and if you forget to say this part of the lifting, it's a good idea to remove all negative mind control and programming from yourself as soon as possible.

**Archangel Michael:** If you were having trouble with a demonic entity, you would call upon Archangel Michael *and his legions* to remove them in the name of Jesus Christ. Michael has absolute authority over the demonic.

**Archangel Raphael:** Archangel Raphael and his Legions have the authority to provide protection during travel, and over healing. We call upon Archangel Raphael and his legions during healing work, and to remove Enochians

**Archangel Gabriel:** Archangel Gabriel and his legions have the authority to remove Sons of Darkness that are not from this dimension.

**Archangel Ariel:** Archangel Ariel and his legions have the authority to remove negative Sirius beings

**Archangel Metatron:** Archangel Metatron has authority over our entire universe, not only our planet (as the other Archangels do).

**Archangel Uriel:** Archangel Uriel presides over the 8th realm. We call upon Archangel Uriel and his legions in the soul DNA formula.
