

## Cellular Memory Prayer

*This is a healing prayer so remember to use the appropriate hand placement! When healing yourself, cup your palms and face them slightly inward. When healing another person who is out of reach, cup your palms and face them outward. When healing another person who is within reach, place your right hand on the affected area and your left hand facing up and out. Remember that, as a general rule, you shouldn't do more than one healing prayer on a person a day.*

**Physical problems or birth defects, and diseased organ, bone, or tissue problems are very often carried over from the cellular memory of a past life. This can deal with any area of the body. One time should be sufficient for this formula.**

Energy and consciousness of all past life through present life negative cellular memory, I call thee forth through the power of the blood of Jesus Christ, come forth.

Energy and consciousness of all past life through present life negative cellular memory, I call thee forth through the power of the blood of Jesus Christ, come forth.

I release thee and unbind thee, turn thee from negative to positive and reprogram thee to heal, rebalance, and to restore to the state that God originally intended thee to be, and I infuse thee with the white light of Christ, through the power of the blood of Jesus Christ. Return back to God, in the name of Jesus Christ.

Energy and consciousness of past life cellular memory of pain, trauma, torture, and death, I call thee forth through the power of the blood of Jesus Christ, come forth.

Energy and consciousness of past life cellular memory of pain, trauma, torture, and death, I call thee forth through the power of the blood of Jesus Christ, come forth.

I release thee and unbind thee, turn thee from negative to positive, dissolve and disperse thee and send thee back to God, through the power of the blood of Jesus Christ.
