

Cleansing and Blessing Your Home and Property

*Prior to cleansing your house and/or property, you need to do the Daily Lifting, minus the B 'nai Or. To cleanse your house of negative spirits, demons, and negative energies, use iodized salt in holy water. To make holy water, first add five pinches of iodized salt to four ounces of water and bless the water in the following manner: hold your right hand over the salt water, place your left hand on top of your right hand and envision the White Light of Christ coming from above, flowing through both of your hands, empowering the water as you say; **I PURIFY, SANCTIFY AND MAKE HOLY THIS WATER, AND EMPOWER THIS HOLY WATER AGAINST ALL EVIL IN THE NAME OF THE FATHER, THE SON, AND THE HOLY SPIRIT AND IN THE NAME OF JESUS CHRIST.***

You must have sandalwood incense to burn in the center of your house and a Bible opened to the 91st Psalm, also placed in the center of your house. This blessing needs to be completed between 12:00 noon and 3:00 pm. Also, you should be the only person in the house. One person can be there to assist you but they must stay directly behind you through the whole process.

Now, open the front door and leave it ajar. Stand inside the door with your back to the door, facing the inside of the house. Walk to your left, moving to the nearest corner to your left. If you have a second story, when you come to the stairwell, go upstairs and continue going left to every corner until you have blessed the entire second story. When you come back to the stairwell, go back down and finish the main floor. If the attic and basement areas are finished, or if they are used in any capacity on a regular basis, they need to be treated the same as the other floors of your house. Just remember to stop at the stairs and continue up or down as needed, returning to the previous floor to finish.

Always keeping to the left, in each and every corner of every room (including closet corners and fireplaces) say these words:

I COMMAND ALL EVIL AND NEGATIVITY (or you can say, demons, devils, and unclean spirits) **TO LEAVE IN THE NAME OF THE FATHER** (sprinkle holy water, in the upper part of the corner), **THE SON** (sprinkle holy water, in the middle of part of the corner) **AND THE HOLY SPIRIT** (sprinkle holy water, in the bottom of the corner) **AND IN THE NAME OF JESUS CHRIST.**

You will do this in each and every corner of your house. When you come to another outside door, open it and sprinkle holy water along the threshold, saying the same command.

*When you get back to the front/entry door, again, sprinkle holy water along the threshold, saying the same command. Then, close the door and say, **I PURIFY, SANCTIFY, AND BLESS THIS HOUSE IN THE NAME OF THE FATHER** (start making the sign of the Cross on the inside of the closed door at this point), **THE SON, AND***

THE HOLY SPIRIT (*finish the sign of the Cross as you say this*). **BLESS THIS HOUSE IN THE NAME OF JESUS CHRIST, AND LET NO EVIL ENTER FROM THIS DAY FORTH.**

You can bless your property in the same manner. As you face your property from the entry point, start from the left corner, using salt and moving always towards the left to each corner. Do your home first and then your property. If you have acreage, you can perform the blessing on just the homestead if you choose.

To keep your house and/or property perpetually cleansed, this cleansing and blessing needs to be repeated every 3 months.

If you wish to bless someone else's home or property, you must have their permission to do so. At your work place, you can only cleanse your cubical, your office or your personal workspace or whatever space you have absolute authority over through work. You can cleanse your work place without anyone's permission, but you may not cleanse common areas.

*You can also ask that a Guardian Angel be appointed to your house and property by saying: **I WOULD PLEASE ASK THAT A GUARDIAN ANGEL BE APPOINTED TO PROTECT OUR HOUSE AND PROPERTY IN WHATEVER WAYS ARE DEEMED APPROPRIATE FROM THIS DAY FORTH, IN THE NAME OF JESUS CHRIST AND I THANK THEE.** This needs to be reinstated once a year.*

*If your situation has been demonic, you can ask for a Cherubim to protect in the following manner. **I WOULD PLEASE ASK THAT A CHERUBIM BE APPOINTED TO PROTECT OUR HOUSE AND PROPERTY IN WHATEVER WAYS ARE DEEMED APPROPRIATE FROM THIS DAY FORTH, IN THE NAME OF JESUS CHRIST AND I THANK THEE.** This also needs to be reinstated once a year. If you have asked for a Cherubim, you do not need to ask for a Guardian Angel. Put a wooden cross on the inside of the house above each outside doorway. The size of the cross doesn't matter. You can even make them out of Popsicle sticks but they must be wooden.*

Once you start this cleansing, it must be completed no matter how uncomfortable it feels. As mentioned at the beginning, the effects will be lessened if you complete the Lifting first. If you do not complete the Cleansing once it is started, the situation will worsen.
