

Prayer to Shrink Tumors

This is a healing prayer so remember to use the appropriate hand placement! When healing yourself, cup your palms and face them slightly inward. When healing another person who is out of reach, cup your palms and face them outward. When healing another person who is within reach, place your right hand on the affected area and your left hand facing up and out. Remember that, as a general rule, you shouldn't do more than one healing prayer on a person a day.

This formula can be used on other tumors, just omit the word brain. One time for this formula should be sufficient, but without making the appropriate emotional changes for the tumor (as outlined in *Heal Your Body*), it is likely that the tumor will return.

Energy and consciousness of brain tumor, I call thee forth through the power of the blood of Jesus Christ, come forth.

Energy and consciousness of brain tumor, I call thee forth through the power of the blood of Jesus Christ, come forth.

I release thee and unbind thee and turn thee from negative to positive and reprogram thee to heal, rebalance, and restore and to shrink as is appropriate to the body. I infuse thee with the white light of Christ, through the power of the blood of Jesus Christ.

Heal and be whole, in the name of Jesus Christ.
