

Unbinding Formula

The purpose of this prayer is to release all negative pacts made knowingly and unknowingly and to reclaim your birthright as given by God. You may only say this for yourself and your children under the age of 13. If the individual is over 13, they must say this formula themselves. This formula needs to be used one time only.

I unbind and release myself, my pets, my house, my property, and any family members under the age of 13, from any and all pacts, agreements, and contracts, made by me or for me, with any and all negative terrestrial, celestial, or dimensional beings, in the name of Shemhamfarash and in the name of my Lord and Master Jesus Christ, and I do this of my own free will.

I bind with the angelic host of God Almighty, in the name of my Lord and Master Jesus Christ, and I reclaim my birthright.
