

Vortex E-On Jah

This prayer is used to close negative vortexes, and can be said in conjunction with the [Home Cleansing and Blessing \(hyperlink\)](#) to provide optimal results. The prayer only needs to be said once on each piece of property.

I would please ask the Vortex E-On Jah to close all negative unnatural vortexes now and seal them. I ask this to be done now in the names of an Unspeakable Name of God, The Seventy Two Names of God, and the name of my Lord and Master Jesus Christ, Yeheshua, and I thank thee.

I would please ask the Vortex E-On Jah to purify any perversions of positive natural vortexes and restore them to the state that God originally intended thee to be. I ask this to be done now in the names of an Unspeakable Name of God, The Seventy Two Names of God, and the name of my Lord and Master Jesus Christ, Yeheshua, and I thank thee.

I would please ask the appropriate Bands of Mercy to remove anything that has come through or been brought through the vortex now and place them in appropriate protected sanctuaries now in the name of Jesus Christ, Yesheshua, and I thank thee.
