

## Weather Protection

*This prayer is to be used for protection during extreme weather. Tanfrail (Pronounced: Tan-Fra-Nell) is the angel in charge of wind and weather; Zakuineil (Pronounced: Zack-You-In-E-L) is the angel in charge of rain, floods and water.*

**I would please ask Tanfrail and Zakuineil to protect myself, my family, my house, my property and my electrical grid system and all I have domain over now in the name of Shemhamfarash and in the name of Jesus Christ, and I thank thee.**
