

Food/Water Purification Formula

I call forth the energy, consciousness, and DNA/RNA of this (*food or water*), come forth. I release thee and unbind thee and turn thee from negative to positive and reprogram thee to be pure and free of all poisons, toxins, and chemicals and to return back to the state as God originally intended thee to be. I infuse thee with the white light of Christ through the power of the blood of Jesus Christ. Be pure in the name of Jesus Christ.
