

Travel Prayers

When traveling, it's wise to use the following prayers to help ensure that your journey is as safe and stress-free as is possible! You're allowing your Guardian Angel and/or Archangel Raphael (who is the archangel of traveling) and his legions to intercede should the need arise! It is also wise to say the Daily Lifting on a daily basis, and to also ask the Band of Mercy to clear any planes, boats, trains, and cars of any method you use in your travels; since your well-being is directly impacted by their actions, you can also clear the pilots, conductors, captains, and/or taxi drivers who are responsible for your travel.

I give my Guardian Angel permission to do whatever they deem appropriate to protect me while I'm traveling to (location), while I'm in (location), and on my way home from (location) in the name of Jesus Christ, and I thank thee.

I would please ask Archangel Raphael and his legions to protect me in whatever ways are deemed appropriate while I'm traveling to (location), while I'm in (location), and on my way home from (location) in the name of Jesus Christ and I thank thee.
