

## Undoing Mother/Father Curses and Damnations

*Upon saying "uncurse thee", hands are crossed and uncrossed with the left hand passing over the right. When doing this for yourself, palms are turned inward. When doing for another, your palms are turned outward toward them.*

Energy and consciousness of mother/father curses and damnations, I call thee forth through the power of the blood of Jesus Christ, come forth.

Energy and consciousness of mother/father curses and damnations, I call thee forth through the power of the blood of Jesus Christ, come forth.

I release thee and unbind thee, uncurse thee and undamn thee, in all thy many parts, layers, and intricacies. Turn thee from negative to positive, and return thee back to God through the power of the blood of Jesus Christ.

I release thee and unbind thee, uncurse thee and undamn thee, in all thy many parts, layers, and intricacies. Turn thee from negative to positive, and return thee back to God through the power of the blood of Jesus Christ.

Release and return to God now, in the name of Jesus Christ.

I would please ask the Band of Mercy to please remove whatever came through the mother/father curse and/or damnation in the name of Jesus Christ, and either place them in appropriate protected sanctuary or do whatever they deem necessary with them, and I thank thee.

I would please ask the appropriate Archangels and/or Angels and their legions to please remove all demonic entities, energies and influences that came through the mother/father curse and/or damnation in the names of Elohim, El-Jarr, Jehovah, Yahweh and in the name of Jesus Christ, and either place them in appropriate protected sanctuary or do whatever they deem necessary with them, and I thank thee.

I would please ask the appropriate Archangels and/or Angels and their legions from the appropriate realms and counter-realms to please remove all negative beings, entities, energies and influences that came through the mother/father curse and/or damnation in the names of Ain Soph, Shemhamfarash, Adonai, Shamish and in the name of Jesus Christ, and either place them in appropriate protected sanctuary, or do whatever they deem necessary with them, and I thank thee.
